**PT. DWI TUNGGAL METALINDO**

**PT. DWI TUNGGAL METALINDO**

## **About Us**

**PT. DWI TUNGGAL METALINDO** was established in 2019, a change from the name CV. ARGATHARA ( 2013 ) and CV. Fujiyama Teknik ( 2007 ) which is based on our experience from the aircraft component support manufacturing industry (Aerospace) and AUTOMOTIVE which are combined into 1 to serve customers from various industrial fields. We prepare everything in terms of the right engineering sequence of Process for smooth production in order to reduce competitive prices (Cost), High Quality and Delivery On Time.

# Visi

To Be A Leading Company As A  
Component Supplier in All Industries .

# Mission

Providing high quality products and  
services, as well as meeting customer  
needs through the best marketing  
programs.

Develop high quality products and  
services, as well as meet customer  
needs through the best marketing  
programs

Develop competent employees by  
creating a good and safe work  
environment to support the  
achievement  
**CUSTOMER SATISFACTION.**

## CERTIFICATE

The Certification Body  
of TÜV SÜD PSB Pte Ltd  
certifies that

**PT. DWI TUNGGAL METALINDO**  
Komplek Villa Cluster Margaluyu No. B-6, Kel. Margasari  
Kec. Buahbatu, Kota Bandung, Prov. Jawa Barat  
Indonesia

has established and applies  
an Environmental Management System for  
Piping Construction, Mechanical- Electrical, Instrumentation  
Manufacture and Contractor in Oil & Gas Industry  
General Contractor in Building

Proof has been furnished that the requirements  
according to

**ISO 14001 : 2015**

Are fulfilled The Certificate is Valid from 2020-11-27 to 2021-11-27  
Certificate registration No. 2021-1155  
date of print : 2020-11-28

## Engineering system dan EHS

Production activities are closely related with engineers, inside our company have engineering with basic competence from the aircraft industry, so that with the basics the strong would be very likely if we work on your components very well Fast, thorough and precise and appropriate rewards to employees with the skills assessment matrix the objective.

For our Environment, Healthy, and Safety refers to the SNI ISO 14001-2015 certification. Some other parts of Process . activities production that we must always take care of and we care such as environmental health, safety work, as well as stability in keep it we implement in our own environment.
